

§ 708a.6

savings bank on a state law parity provision, meaning a provision in state law permitting a state-chartered credit union to operate with the same or similar authority as a federal credit union, it must:

(i) Include in its notice a statement that its state regulatory authority agrees that it may rely on the state law parity provision as authority to convert; and

(ii) Indicate its state regulatory authority's position as to whether federal law and regulations or state law will control internal governance issues in the conversion such as the requisite membership vote for conversion and the determination of a member's eligibility to vote.

(b) If it chooses, a credit union may seek a preliminary determination from the Regional Director regarding any of the notices required under this part and its proposed methods and procedures applicable to the membership conversion vote. The Regional Director will make a preliminary determination regarding the notices and methods and procedures applicable to the membership vote within 30 calendar days of receipt of a credit union's request for review unless the Regional Director extends the period as necessary to request additional information or review a credit union's submission. A credit union's prior submission of any notice or proposed voting procedures does not relieve the credit union of its obligation to certify the results of the membership vote required by § 708a.6 or eliminate the right of the Regional Director to disapprove the actual methods and procedures applicable to the membership vote if the credit union fails to conduct the membership vote in a fair and legal manner consistent with the Federal Credit Union Act and these rules.

(c) After receiving the notice described in paragraph (a)(3) of this section, the Regional Director will contact and consult with the appropriate State Supervisory Authority.

§ 708a.6 Membership approval of a proposal to convert.

(a) A proposal for conversion approved by a board of directors requires

12 CFR Ch. VII (1–1–10 Edition)

approval by a majority of the members who vote on the proposal.

(b) The board of directors must set a voting record date to determine member voting eligibility that is at least one day before the publication of notice required in § 708a.3.

(c) A member may vote on a proposal to convert in person at a special meeting held on the date set for the vote or by written ballot filed by the member. The vote on the conversion proposal must be by secret ballot and conducted by an independent entity. The independent entity must be a company with experience in conducting corporate elections. No official or senior management official of the credit union or the immediate family members of any official or senior management official may have any ownership interest in or be employed by the independent entity.

§ 708a.7 Certification of vote on conversion proposal.

(a) The board of directors of the converting credit union must certify the results of the membership vote to the Regional Director within 10 calendar days after the vote is taken.

(b) The certification must also include a statement that the notice, ballot and other written materials provided to members were identical to those submitted to NCUA pursuant to § 708a.5. If the board cannot certify this, the board must provide copies of any new or revised materials and an explanation of the reasons for any changes.

§ 708a.8 NCUA oversight of methods and procedures of membership vote.

(a) The Regional Director will review the methods by which the membership vote was taken and the procedures applicable to the membership vote. The Regional Director will determine: if the notices and other communications to members were accurate, not misleading, and timely; the membership vote was conducted in a fair and legal manner; and the credit union has otherwise complied with part 708a.
